Confession

Lord, you pray that your followers will be one as you and your Father are one, and yet we divide into factions, demonize those with whom we disagree and fail to show the world we are yours through our love of one another. We are to be your witnesses to the ends of the earth, revealing your mercy and enacting your compassion. Instead we keep silent when we should speak and speak when we ought to remain silent. Forgive us for our failure to take risks for your sake. Grant us your grace and embolden us to share it, forgiving others as we have been forgiven.
